THE END

These last few months have been an exciting time at Harvey Comics.

First off, Harvey Comics Entertainment became a publicly owned company. What that means is we started selling stock on the open market. (Do you think Richie Rich would buy our stock?) It shows we've really come a long way since Jeff Montgomery bought the company in 1989. Harvey is determined to become one of the comic industry's heaviest hitters, and I think we're well on our way.

We're hard at work on new titles to bring you every month. The Incredible Crash Dummies continues to be one of my favorites. I can't wait to see the wacky and exciting new pages each issue and see what the Crash Dummies have in store. This month, the Crash Dummies rocket into outer space to do battle with the evil Junkman. He plans to take over the world with a missile he's built from the world's junk. Bet you never thought your old garbage could come back to hurt you: there's a good argument for recycling!

I hope you're getting ready for the premiere issue of Beethoven. I'm sure you all remember last year's movie Beethoven, (you should, it was one of the most successful pictures of the year!) Well, this year brings us the sequel: Beethoven's 2nd. This time that lovable St. Bernard has a family of his own. There's nothing cuter than a houseful of puppies. You might says it's "adogable". (I'm allowed to make bad puns; I'm the editor). The first issue of Beethoven squeezes the entire movie into a single comic book that you can have even before the film opens! (Sorry, popcorn not included).

We're also hard at work getting our new Hanna-Barbera line together. We'll be bringing you all new stories from your favorite characters: the Jetsons, the Flintstones, Yogi Bear, Scooby Doo... I could fill this entire page just listing the characters. I've been reading this stuff as it comes in, and let me tell you, this is some of the funniest material to come out of comics in ages. And incidentally, there hasn't been any new material on most of these characters in over 25 years.

And have you heard the whispers about Harvey's upcoming movie projects? We can't say too much, but I will let you know that. Richie Rich was seen buying a 24 karat gold director's chair with his name spelled out in diamonds. And you didn't hear it from me, but a certain friendly ghost has been taking acting lessons. More on this as it develops.

Here's an interesting piece of news. I always knew that comic book fans were about the smartest people out there, but now I have proof. They did a study of the top reading students and it turned out that 90% of them were heavy comic book readers. Ninety percent! Shows that smart people know reading can be fun and still be good for you.

The summer will have come and gone by the time you read this, and I was just thinking how lucky I am to work with comic books for a living. Comic books bring me back to a time when work meant doing my math homework, responsibility meant cleaning my room, and all that mattered was making the most of a summer's day. I hope you're making the most of all your days! See you next month!

and we get letters...

Dear Mayda Munny,
I have some advice. If you like Richie, then you should be nice to him. Invite him to dinner (maybe even dollar!). Also, be nice to your servants. I hope you get along.
Your friend, Jennifer Crease
Quebec, Canada

Dear Jennifer,
Thank you for your lovely letter, Jennifer, if only Richie paid as much attention to me! I can't see what Richie sees in that common peasant Gloria, especially compared to my vast wealth and ravishing beauty! I took your advice, Jennifer, and invited Richie to dinner—but even that didn't work! I told Richie that I wanted to take him to the most expensive restaurant (which didn't allow dogs) in Richville, but he said that he and Dollar had already planned to spend the evening at a droll picnic with that awful Gloria! I just can't win!
Your friend, Mayda Munny

Dear Baby Huey,
You're one of my favorite characters. I like you because you are bigger than your parents. Try to sign up for the Dallas Cowboys in football. If I'm not dumb, you would probably be a kicker.
From, Justin Bone, age 10
Buttonwillow, CA

Dear Justin,
I like to play football a lot, Justin, but the other kids won't let me play anymore! The last time I played football, I was the last duck to be picked for a team! My team made me sit on the bench almost the whole game, and then finally they needed me to try and kick a field goal! I made the field goal to win the game, Justin, but I kicked the ball so hard that the ball still hasn't come down! Now no one has a football to play with anymore!
Your friend, Baby Huey

Dear Casper,
I enjoy your comics a lot! My name is Adam, and I am 11 years old. I like it how you help people in need! I try to do that too. In fact last year I made a "clean-up" club with the neighborhood kids. I hope Fatso is not too mean to you! Keep the comics coming! Bye!
From, Adam Thomson
Australia

Dear Adam,
All of us in the Enchanted Forest are very proud of you, Adam, we all know how much work it is to keep a neighborhood clean! Here in the Enchanted Forest, we also have our own clean-up crew! The deer use their antlers to pick up paper on the ground and the birds fly up to get any garbage that gets caught in the trees! We even have a special crew to just clean up after Fatso and the rest of the Ghostly Trio! Keep up the good work, Adam, and I'll make sure that the comics keep coming!
Your friend, Casper

Dear Wendy,
When I was younger, I used to wish I were you. I would pretend I was you. I found sticks in the woods for a magic wand, and I would use the family broom for a flying broom. Then I would read one of your comics and act it out. I asked by sisters and brother to join me. I still love you Wendy!
P.S. I don't know how you can stand it with your three mean aunts, and please say "Hi" to Casper for me!
Sincerely, Claire Crimp
Canada

Dear Claire,
Pretending can be a lot of fun, Claire, and sometimes I even pretend I'm another Harvey character! I like to pretend I'm Gloria since she is so pretty and is always so nice! Once I even cast a spell on myself so I would look like Gloria and be transported to Richville! I only did it once because while I was there, I ran into a very spoiled girl named Mayda Munny, and for some reason she was very mean to me!
P.S. I really like living with my aunties, Claire, that way I can keep an eye on them and keep them out of mischief!

Dear Richie,
How are you? I am fine. I hope I don't embarrass you, but are you and Gloria getting married? I also wonder, do you have football that is made of gold?
Yours truly, Justin Scrimshire
Wetumka, OK

Dear Justin,
To answer your questions, Justin: (1) With fans like you, I'm always fine! (2) Maybe! (3) My dad gave me a solid gold football for my birthday, but nobody was strong enough to lift it up! It just goes to show you that expensive things aren't always better, Justin, and now we play with the leather football that Freckles' dad gave him for his birthday!
Your friend, Richie
